A NOVELTY IN THE ART WORLD. Photography upon Porcelain. Secured by Letters Patent in the United States, England, France and Bel-

Company. No. 781 BROADWAY, NEW YORK,

Having secured their novel and ingenious invention by American and European patents, are fully prepared to execute all orders for "MINATURE LIKENESSES OF PER-ONS ON CHINA," presenting all the attractive and advantageous features of ordinary photographs, the brilliancy and finish of a water-color drawing, and a hitherto unattained quality of durability, by being rendered as imperishable as the natural properties of the articles upon which they are transferred.

As the patented process of the Company enables the reproduction of Photographs, not only on plain surfaces, but upon such as are round or of any degree of irregularity—portraits can be reproduced with faultless accuracy, and delicacy of delimeation, upon Porcelain wares of any description and dimension used as articles of luxury or of household utility, such as URNS, VASES, BREAKFAST CUPS, TOILET ARTICLES, &c.; thereby securing faithful portraits and furnishing an unique and exquisite style of ornamentation of articles in domestic uses. thereby securing faithful portraits and furnishing an unique and exquisite style of ornamentation of articles in domestic use.

In order to furnish facilities for the gratification of the popular taste, and to meet the wants of those patrons of the Fine Arts desirous of having Portraits on Porcelain, the Company have imported from Europe a collection of superior porcelain goods, manufactured to their own order, which they sell at cost prices.

As the American Company are owners of the patent right, and consequently the only persons authorized to use the process, they have determined, in order to afford People in every section of the Union an opportunity to possess Partraits on China, to make the following proposition to residents in the country, who are unable to visit personally the Atelier and Galleries in New York: Persons sending a photograph, ambrotype, or daguerreotype to the office of the Company in New York, accompanied by Five Bollass, will receive in return by express, free of other charge, a richily ornamented Breakfast Cup and Saucer, with the portrait transferred thereon.

By transmitting a daguerreotype and was you are transferred thereon.

By transmitting a daguerrectype and rev bollass, they will secure in like manner, a handsome French Vase or Toilet Article, with the portrait reproduced by Vase or Toilet Article, with the portrait reproduced by the patented process.

By sending a pair of daguerrectypes and pippers pollars, they will receive in return a pair of rich Sevres Vases, with the portraits executed equal to minature paintings; and, in like manner, portraits can be reproduced on percelain wares or Vases of every quality of finish, ranging in price from Twenty to One Hundred dollars the pair.
